the gardens Myself; that I may play for you if you so choose, as they tell Me that I have some small talent on the piano, organ and violin. It would also give Me pleasure to show you some of the paintings that you have done yourselves, and some of the sculpture that you have carved in times past when you were more free -- in the Golden Ages that have folded their garments around them and are no more except for the beauty We have salvaged and preserved to this present day. I want you to breathe in the scent of the roses. I want you to feel My Love for you, each one. I believe in you. I have believed enough in you to desire to remain a part of your planet; and as the Beloved Kwan Yin said before Me: "I shall not enter the gates of the Cosmic Nirvana while there is one potential soul yet undeveloped." I shall look for your return in your light bodies, beloved ones. Until then, permit Me to say: "Au revoir."

Beloved Children of God:

I have pleasure in offering you herewith My Beloved Son, Paul's address of the art of being your 'brother's keeper'. He tells how, through love, this seemingly difficult feat may be accomplished. Even in the Earthly sphere, beloved ones, everything brings forth according to its kind. What would be more natural than that the Father of all life should be the first to establish that precedent? Love is the Nature of God. At the Fall of Man, the erstwhile Sons of God 'clothed themselves' in the dark and heavy garments of the human nature. When they have divested themselves completely of these fleshly trappings and reached for the White Robe of Love which the Children of the Kingdom wear, man will find himself once more back in 'his Father's House'. Cultivate Love, beloved ones, in your dealings one with another, and observe the uplift of soul which follows its use.

Blessings and Love,

MAHA CHOHAN

ADDRESS BY THE BELOVED PAUL, THE VENETIAN

Beloved Ladies and Gentlemen:

, I love you deeply and sincerely. I love your

earnest call that you may feel the real, honest desire to become 'your brother's keeper', and I hasten to answer that call with My Presence and My feeling of joy in being 'My brother's keeper'.

Have you thought of the billions of individuals that belong to Earth's evolution, yet unascended, when you make that statement and use the energy of your breath asking that you may become the keeper in love of all those many lifestreams? Life will give you that opportunity, for life allows every man, woman and child full opportunity to fulfill the words expressed, the vows taken, the decrees given, the songs intoned and sung, and the prayers whispered within the heart that are not always audible to the physical senses.

There is in this great planet much of the Body of God that requires transmutation and sublimation - much of the elemental kingdom that is in agony, impurity and distress - much of the four-footed kingdom that requires sublimation and many, many members of the race who have not accepted even a mental concept of a Supreme Intelligence, but choose to endow the outer intellect and the puny mind of man with the prerogative and powers of the Great and Supreme Source.

There are many people on this Earth who have an abstract knowledge of a Universal First Cause. They call it by varying names according to the races and the religions into which they have been born or raised. They have endowed this Great First Cause with the characteristics, the emotions and the tendencies of themselves - making gods according to themselves. It is to dispel these half-truths, these created gods made in

the image and likeness of man and to bring into the outer consciousness of all mankind the knowledge and the nature of the One Supreme Father that We have foresworn Nirvana and the happiness and joy We have earned, to serve here on the planet Earth while there is yet one unascended being undeveloped.

We on the Third Ray, beloved ones, are particularly concerned with the development of Love. We represent, as you are aware, the activity of Love in the triple aspect of the Holy Trinity, and through the Elohim, through the Archangels and the Chohanship, We are endeavoring to lower into the outer consciousness and feelings - first of the chelas and then all peoples - a love for God that contains within itself a mighty sense of faith in His Power to restore emotions and minds and bodies and memories to their perfect estate.

Beloved ones, examine yourselves closely and find out how much reliance you have on the All-power of God in your world -- how much you have allowed your reliance to build upon passing appearances. In order to come to a point where you are able to be not only the keeper of your own vehicles, but to be able to act efficaciously as 'your brother's keeper', you must first come to an acceptance in your feelings of the ever-presence of God within what you call the Immortal Three-fold Flame of Eternal Truth that beats your heart. Mental acceptance of this is not enough, but when your feeling world joyously accepts that active Christ Presence, and joyously gives that Presence full power to act through the various vehicles, then you will find yourself master - first of your own aura, and then able to give joyous assistance to your fellowman.

How many times have you said: "I consciously withdraw all power I have ever given to persons, places, conditions and things - I return all power to God!" Oh, lovely ones, We who stand as the Teachers of those who desire to be 'the keepers of mankind' are so cognizant of the necessity of developing within your precious hearts an acceptance of God's Almighty Power in you to act! Does it not act in the ordinary course of your medical profession? When a bone is set, does not the Healing Presence within the body knit that bone into perfection? Does not the intelligence within the blood cause it to coagulate so that the life essence does not flow out from the form and leave it lifeless? Does not the great surgeon and doctor say after he has completed his ministrations: "Now we must rely upon the patient's will to live?"

Can you not loose this Presence of God even as you read My words and allow it freedom to act until your fingers tingle and you feel light and life in every atom and cell of your being?

Under Our Ray, the Archangel Chamuel renders the specific service which I do not think the students have utilized enough - that is of stirring within the individual's feelings a joyous acceptance of the ever-Presence of God. Let Me tell you a little about the Archangel Chamuel and His service, beloved ones. He is a Being of transcendent Light who has served aeon after aeon at inner levels teaching the Angelic Host how They may, through prayer and devotion, accelerate Their own blessed Flames in praise to the Godhead. He has also served in the Elemental Temples, teaching elemental life how to raise their consciousness in praise and adoration to

the God that made them. He has withdrawn, for many centuries, from the conscious knowledge of the outer minds of the masses and therefore they did not have access to His Presence, but now you do. You can tie into the world of this Mighty Archangel and feel through Him the great Love that God holds for His creation.

Is the power of contagion of the feelings so strange to you when you experience it daily in all your activities? How often are your feelings changed by proximity to the aura of a person in distress? Conversely, how often are your feelings raised and made buoyant by a positive, poised and faith-filled individual? If one unascended being can have that effect upon another, then what can the Ascended Host not do for you, particularly the Archangels who represent the greatest composite of positive feelings that this Earth can contain? That feeling flows from the Archangel Chamuel's Heart the moment you allow your thoughts to dwell upon Him - even if you are in a place or condition where your lips cannot form the words. The moment you invoke His Name, beloved ones, and you ask His help - that moment your world and Chamuel's become one. If it does not, it is because of your unbelief!

I commend you who need assistance to a comradeship with Chamuel, and your own faith, your own feelings will prove how sincere His handclasp through the veil can be and what vital assistance the invocation of His Presence can bring into your lives.

God bless you, beloved ones.

PAUL
